

Chief, Special Funds  
ATTENTION: [REDACTED] 25X1  
Assistant Chief, Finance Division

4 December 1946

There is attached a copy of a Certifying Officers' Bond which is normally used for officials who are bonded under the provisions of Public Law No. 389, approved 29 December 1941. It is believed that this form can be used by your office in bonding Certifying Officers as provided by the Special Funds Regulations, effective 21 October 1946.

In accordance with your regulations the form would be approved on the reverse in the upper left-hand corner by the Director, Central Intelligence. It does not appear necessary to have the bond approved and recorded by the Treasury Department since the matter is an internal one and the bond could be retained in your official files. The approval of the bond would constitute an approval and delegation by the Director insofar as Special Funds Regulations are concerned.

Should you desire further assistance relative to this matter or need additional copies of the bond form, kindly advise. It is suggested that prior to taking further action you discuss this matter with a representative of General Counsel.
